

PROF. DONATO CIAMPA

SCIENTIFIC CURRICULUM VITAE:

Eng. Donato CIAMPA in 2001 has achieved the Master of Science Degree in Civil Engineering at the University of Basilicata with the final vote of 110/110 *cum laude*. On 2007 he has obtained the Ph.D. in "*Infrastructure and Transportation*" at the "*La Sapienza*" University of Rome. Since 2002 he has carried out research activity about specific issues of road infrastructures (Disciplinary Scientific Sector ICAR/ 04) at the University of Basilicata. Since 2003 he was a member of "*Italian Society of Road Infrastructures*" (SIIV). Since 15th June 2015 is a member of "*Scientific Association Transport Infrastructure*" (ASIT) as Founding Member. From 2001 to 2003 he joined at the Research Staff of the Research Unit of Basilicata for the Research Program of Relevant National Interest (PRIN 2001) with the title: "*Performance catalogue of superficial asphalt concrete layers*". In this Research Program he has studied, in particular, the characterization of bituminous binders with the SHRP methodology and the mechanical properties of asphalt concrete according to the M.P.T. methodology. In the Academic Years 2006-2007 and 2007-2008 he was appointed adjunct Professor for the course of "*Transport and Mobility for Emergencies in Risk Areas*" (Disciplinary Scientific Sector ICAR/05) at the Faculty of Engineering of the University of Basilicata. In the Academic Year 2011-2012 he was Professor of "*Management of Transportations Systems*" (Module 2 of: "*Metropolitan Transportation + Management of Transportations Systems*" - Disciplinary Scientific Sector ICAR/05) at the Faculty of Engineering of University of Basilicata. He have been also Professor of the following courses: "*Topography, Gis and Survey Design*", "*Topography and Survey Design*", "*Topography And Survey Design for Road Infrastructures*", "*Transport Basics*" and "*Transport Technology and Economics*". Scientific activity of Eng. Donato CIAMPA is documented since 2002 by many scientific papers published at national and international level. Currently Eng. Donato CIAMPA is Assistant Professor of "*Roads Railways and Airports*" at the School of Engineering of the University of Basilicata and he holds the following courses: "*Airport Engineering*" (9 ECTS - Disciplinary Scientific Sector ICAR/04) and "*Basics of Roads, Railways and Airports*" (3 of 6 ECTS - Disciplinary Scientific Sector ICAR/04).

PROFESSOR'S OFFICE HOUR:

On Tuesday from 10.30 to 12.30 (4th floor of the Engineering School, room n.16).
