

Università degli Studi della Basilicata
Scuola di Ingegneria

PROF. COSSIDENTE ANTONIO

SCIENTIFIC CURRICULUM VITAE:

Academic qualifications

- Laurea, Mathematics, November 1990, University of Basilicata, Potenza, Italy.
 - Ph.D., Mathematics, July 1997 University of Florence, Italy
- Permanent appointments
- Dec. 1995 - November 1999 Research Fellow, University of Basilicata;
 - Nov. 1999 - 2007 Associate Professor, University of Basilicata;
 - 2008 Full Professor

Areas of research interest

Finite geometries, finite classical groups and their geometry, algebraic geometry over finite field(AMS Subject classification: 51Exx combinatorial geometries and special incidence structures, 05Bxx designs and configurations, 14Hxx algebraic curves, 14Mxx special varieties, 20G linear groups

Scientific activities

1997- present: reviewer of Zentralblatt f"ur Mathematik and Mathematical Reviews
Referee for several international scientific journals:

Learned Societies

- European Mathematical Society
- London Mathematical Society
- Institute of Combinatorics and its Applications (Fellow)

Awards

Hall Medal 2003

It is author of more than 150 publications

PROFESSOR'S OFFICE HOUR: Monday 9.00 -12.00; Tuesday 9.00-12.00

Scuola di Ingegneria, Via dell'Università, 10 - 05100 Potenza
